Come join us for informational presentations and stimulating discussions as we explore various holistic body-mind-spirit topics including spiritual growth and journey, energy medicine, metaphysics, and ancient and modern concepts and holistic methodologies. The Society is an open forum for concept and methodology exploration and does not promote one platform of ideology. All opinions are encouraged and respected during our discussions. The group meets approximately one time per month and is assigned a topic for discussions. There will usually be a short presentation on the topic in order to bring some quality information to the group, then a discussion period will follow. Each class will also include an open social time that allows people to mix and network their interests after the structured portion of the gathering. Call The Nurturing Nook to let us know you’ll be there and check out www.sagefoundations.com for more information.

PROOF (Photographic Realization Of Orb Formations):

PROOF is lead by Donna Bonter and Leanne Temple. We’ll be meeting at 8:00 pm and will be there for a couple hours. Bring your own equipment and a flashlight. Please, no one under age 12 should attend. (Of note, Leanne and Donna went to the historical cemetery last week during the day and got a picture of an orb that has the face of a child!) Come and hang out with a couple of crazy psychic witches and hopefully get some interesting orb pictures!
