

December 2008

Happy Yule, Y'all! Leanne, Julie and Donna would like to wish our family of customers a very happy holiday and prosperous new year! We have been blessed with the most kind-hearted neighbors who have made our first 5 months of business very special. Thank you so much for sharing your lives with us!

Finish up that holiday shopping WITHOUT STRESS! Come in, put your coat on the rack, get a cup of hot cocoa, and lazily browse the arts and crafts made by local artisans. Take a few minutes to relax in the massaging chair. We're sure to have the perfect gifts for you, your family and friends.

The Nurturing Nook would like to highlight these artists:

Julie's Jewels - Handcrafted jewelry for every woman. Her necklaces, bracelets and earrings are designed with healing intentions and lots of style! The stones feel great against your skin and enhance your natural inner and outer beauty. The chakra earrings are awesome!

Paulding Photos – Eric and Debbie Paulding love to travel and love to take incredible pictures. They have allowed The Nurturing Nook to have some of their framed and matted artwork to sell. Come and browse the gallery of beautiful art by these local photographers.

Lisa Morgan – Life's Blessings Essential Oils and Mists. Lisa is a Usui Reiki Master specializing in aromatherapy and angel healing. She has provided our shop with an exclusive array of oils and mists to cleanse and harmonize your mind, body and space. Lisa

uses only pure essential oils and infuses each with healing energy. Test a few different scents during your next visit.

Dawn Lieblanq has made available her line of stylish and sassy t-shirts. These quality-made shirts are in assorted sizes with great sayings like "I'm a spiritual being having a human experience." Pick one for you and that person who "has everything".

Watch your email for special coupons for these highlighted items.
