ASK ISIS

Dear Isis,
I'm having a crisis. I've been going to various support groups for most of my life, and have made many sacrifices. I always find myself back where I started. I'm tired of traditional support groups, and want to know what else I can do.
Signed, Identity Crisis

Dear I.C.:

It's time to relax, young Capricorn. Your life has been much too serious until now. Fortunately, you are ready to make the change in your profession that will bring you the recognition and support that are so necessary for your emotional well-being. While it will always be best for you to work behind the scenes, you can now put your communication skills to good use, and work with an entire group of dedicated individuals. All you have to do is find them, using the tools you already possess. So go out and live it up!
Love, Isis

DO YOU HAVE QUESTION FOR ISIS?

Please include horoscope information for each person your question concerns: birthdate, place, and time, if known.

Please DO NOT use names, just initials. My answer will refer only to initials and will not include the horoscope information you send me. You may want to keep a copy of the letter you send. Be creative!
