

Nurturing Nook Updates

Spring is on the way!

Spring is on the way! It's a time of hope, joy and expectation. The Spring Equinox on March 20 is a time of balance between the light and the dark, where the cycle is about to tip into the realm of the light as the days become longer.

So, catch a little Spring Fever and celebrate!

Donna's Diversions is still going strong and gaining momentum as the year progresses! We gather at 7:00 pm on the 2nd and 4th Wednesdays of the month and, quite frankly, we have some powerful fun! Don't miss out on the chance to hang out with some cool folks who truly enjoy helping each other along through this journey called LIFE.

March 10 -- Psychic Development -- Expanding your Gifts. Science has proven that all of us have psychic abilities. It's all a matter of finding the tools that suit you which will help to enhance those gifts. If you have ever made a decision from your "gut" or knew who was calling on the phone before looking at the Caller ID, this class is for you!

March 24 -- Past Life Study -- For Understanding the Present. Come with us and explore how your past lives are affecting this lifetime and ways to help make sense of those feelings of "I know I've done this or been here before". As always, a Love Offering is encouraged as a great way of exchanging energy! Send me an [email](#) and I'll let you know whose house we'll be gathering at. Bring a friend -- they'll be glad you did!

Calling all Ghost hunters! Now that the weather is getting warmer, the PROOF paranormal investigative team is anxious to get out and about. We want to hear from YOU about places of interest in the North Georgia area we can go visit. So dust off your camera and digital recording devices and join us! We would really like to schedule some locations for April. There will be an "Intro" meeting for those new to the team before we head out so everyone will have an understanding of what's involved and how to make the experience a good one for all, corporeal and non! Email me or Donna with your suggestions of places. Also, feel free to email any pictures you have taken that reveal something you can't explain.

Readings! Readings! Readings! I am doing readings at Simple Strands the 2nd and 4th Saturdays of the month -- March 13 and 27. Donna and I are also available for phone readings or in person by appointment. If you haven't had one of our readings, you should. I do ask that you limit readings to once a month in order to allow the Universe and yourself some time to process the information. Part of our spiritual journey involves helping others along their path through life. We have a wonderful network of healers available and are always in search of more people to join us!

I wanted to thank everyone for helping keep the virtual Nurturing Nook alive and well! Donna and I are so grateful for the incredible people who have come into our lives and wish all of you much happiness, prosperity and love!

Please remember those in need in your prayers as we include you in ours. Have a wonderful and prosperous month!

In love and light,
Leanne & Donna
