

# Upcoming Diversions with Donna!

## Upcoming Diversions with Donna:

The weather is HOT and so are Donna's Diversion classes!! The response has been overwhelming and we are grateful to all the participants for sharing the energy. New people and us old folks (experienced, not aged) have kept Donna's Diversions going for almost 2 years now!! The next class will be held on June 16 and will be covering Crystal Magick!!! Donna will take us on yet another exciting journey, this time into the realm of Crystals! From Aventurine to Zircon, we'll have a great time learning how crystals can assist us in our daily life, and also how they can be powerful tools. We'll be meeting at Suzie's house at 7:00 pm - call me or Donna for the address or directions.

On June 30, Donna will be helping us learn about Chakra and Aura cleansing. Think of it as a good way to start the summer season. Enjoy the summertime without the negativity and blockages to prosperity we all seem to pick up from time to time. We'll be meeting at Holly's house at 7:00. As always, there is no set fee for the classes - a love offering is suggested as an energy exchange is always good!

The first day of summer begins with the Summer Solstice, which is June 21. We are also in for a treat on June 26 with the full moon and lunar eclipse. A powerful time indeed!

Remember, you can schedule readings with me and Donna, either in person or over the phone. I'm at Simple Strands the 2nd and 4th Saturdays of the month from 11-7 for readings.

Thank you to all the people who have helped make these classes such a success and we look forward to seeing you again.

PARANORMAL PEOPLE - we haven't forgotten you! The PROOF paranormal investigative team is scheduling places to go and undead to see in the very near future. So start charging up the batteries in your digital cameras, recorders, etc.

PLEASE feel free to email us with suggestions on places we can go and hang out with the ghosties.

Please take a few moments to send healing to the wildlife being challenged with the oil spill. The power of prayer works!!

Namaste! In love and light,
